Johannes Brahms, Classical Piano Sheet Music : Hungarian Dances and Other Works for Solo Piano (Dover Music for Piano) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hungarian Dances and Other Works for Solo Piano (Dover Music for Piano):

0 of 0 people found the following review helpful. Great quality By Sincerely Yours The score prints has a tad old fashioned to them, but they were on large prints and you can't be happier with the full scores in one book. Great value for money, and it used for late beginners!

Affordable and authoritative, this collection of Brahms' enchanting Hungarian Dances will thrill intermediate and advanced pianists. The lively and popular set of twenty-one dance arrangements, all based on Hungarian themes,

contains among the most popular of the Romantic classicist's piano pieces in one low-priced edition, from No. 1 in G minor to No. 10 in E major. Transcriptions include the most famous Hungarian Dance, No. 5 in F-sharp minor.
