Joanne Martin : I Can Read Music, Vol 1: Violin (For Violin) before purchasing it in order to gage whether or not it would be worth my time, and all praised I Can Read Music, Vol 1: Violin (For Violin):

0 of 0 people found the following review helpful. Great book for Suzuki violin students to learn to read ...By W. Smith Great book for Suzuki violin students to learn to read notes better. Our tutor uses it as an addition to the Suzuki books. Simple yet effective. 0 of 0 people found the following review helpful. Teacher made me buy it. Lol By Quietquill I got this book because the teacher said to. She swears by it. It has rhythm on one side and sight reading on the other. 0 of 0 people found the following review helpful. Recommended By M Wilt Arrived on time and well packaged and was undamaged. The print is clear, the binding is sturdy. Works well for school based orchestra class.

These easy-to-read, progressive exercises by Joanne Martin develop a student's reading skills one stage at a time, with many repetitions at each stage. I Can Read Music is designed as a first note-reading book for students of string instruments who have learned to play using an aural approach such as the Suzuki Method(R), or for traditionally taught students who need extra note reading practice. Its presentation of new ideas is clear enough that it can be used

daily at home by quite young children and their parents, with the teacher checking progress every week or two.
