This CD is just as funny as the previous ones and I would recommend it for anyone who is a fan of ISIHAC0 of 0 people found the following review helpful. Five StarsBy CustomerCan't wait for No.16.

In this 15th collection of the perennial antidote to panel games, regulars Tim Brooke-Taylor, Barry Cryer, and Graeme Garden and special guests Rob Brydon, Jeremy Hardy, Victoria Wood, and Ross Noble are given silly but hilarious things to do by chairman Jack Dee. So join Jack and company in these perennial favorites: New Definitions, Swanee Kazoo, One Song to the Tune of Another, Sound Charades, and last, but certainly not least, Mornington Crescent. Other exciting rounds include '84 Chicken Cross Road,' 'Complete Bellocs,' and 'Grassington's Got Talent.' Listeners will know to expect inspired nonsense, pointless revelry and Colin Sell at the piano. Warning: some listeners may find the content offensive. 2 CDs. 2 hrs 30 mins.
