BBC : I'm Sorry I Haven't A Clue: Volume 4 (BBC Radio Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised I'm Sorry I Haven't A Clue: Volume 4 (BBC Radio Collection):

The team is together again with more ponderous puns and wondrous witticisms than you can shake a feather duster at, from the show where fun and laughter go together like a horse and marriage. Listen as two door-to-door salesmen try and sell dusters to Mr. and Mrs. Noah, or take a gander at some of the latest programs featured in the "Ancient Radio Times:" "Only Fools and Wooden Horses," "Homer and Away," and "This Morning With Castor and Pollux." Here is more of the inventive ad-libbing that has made I'm Sorry I Haven't a Clue an award-winning show and cultural fixture, much like the bidet in France. This collection features Willie Rushton's final shows recorded in Cheltenham, Liverpool, Northampton, and Cambridge. Ned Sherrin's foreword, which was broadcast at the time of Willie's last program, is also included. It's the authentic antidote to panel games. They're game. Are you? 2 CDs. 1 hr 58 mins.
