Jason Suinn, Chris Avellone : Icewind Dale Official Strategies Secrets before purchasing it in order to gage whether or not it would be worth my time, and all praised Icewind Dale Official Strategies Secrets:

0 of 0 people found the following review helpful. ToB or SoA have a better guide, and there are other resourcesBy Customerhad several of these guides for dd games, tell you a lot about game-play. there are some things that can be missing, ToB or SoA have a better guide, and there are other resources, such as cheats. web site sorcerers store has a forum.1 of 1 people found the following review helpful. very helpfulBy Tim CaseI know when I go back and play this and the Baldurs gate games I will want these.0 of 0 people found the following review helpful. Five StarsBy James N SwansonLoved the book

Icewind Dale is the next Dungeons Dragonsrole-playing game from Interplay's Black Isle Studios, publishers of the smash hit Baldur's Gate, and developers of Fallout 2 and Planescape: Torment. It's certain to be a must-have title for all fans of the genre. Sybex's exclusive, official guide is written by a pair of Black Isle insiders, and features

comprehensive maps and walkthroughs, inside stats and strategies, plus an exclusive full-color poster!
