Works Best for the Playstation 2 VersionBy Gene HargroveThis book was written for the Playstation 2 version of the game and as a result, its usefulness is somewhat limited. Small changes have been made in the Playstation 3 version. For example, a critical lever is in a completely different place. A save station has been removed altogether. Nevertheless, the places are basically the same of the advice given remains useful.0 of 0 people found the following review helpful. I needed this to find my way around some of ...By James W. IngersollI needed this to find my way around some of the more challenging levels of the game (noob I know).0 of 0 people found the following review helpful. GreatBy John MillerAs advertised

This complex game is filled with various elements including adventure, puzzles and fantasy. This guide helps navigate

the mysterious world of ICO.
