Over time, the students learn the tunes as well and sing with me. They enjoy visuals which is why the thought of musical "story time" is usually a success for me. I love adding the motions into this as well as creating new words and motions with the students! 0 of 0 people found the following review helpful. Four Stars. By Customernice little book for a young children. 0 of 0 people found the following review helpful. We're Bananas and We Know It. By Michelle We love Raffi songs and this book is very cute! My daughter loves when I sing to her more than when I read to her, so it's nice to be able to show her the pictures and "introduce" her to reading books, but still be able to sing. We especially love Raffi's inclusion of bananas. =)

Toddlers will sing along, clap, and cheer with this lively board book! This sturdy board book is an especially fun way for children to sing and clap along to this beloved traditional song. Plus, it's the perfect gift for babies and toddlers celebrating a special birthday. In this adorable Raffi version, it's Monkey's birthday and all his friends are getting together to celebrate . . . but shhh, it's a surprise! Join in as Rabbit makes the invitations, Hedgehog brings the balloons, Fox makes the dessert, and all the animals shout "Hooray!" when Monkey arrives at the party.
