So much good stuff in this little bookBy AntoSo much good stuff in this little book...Not a method, not a guide, just some good tips to understand improvisation. Definitely recommend.0 of 0 people found the following review helpful. Five StarsBy Hank Lawlerexcellent!

This work offers useful information on how jazz music can be improvised.

From the Back Cover'Improvising Jazz' gives the beginning performer and the curious listener insights into the art of jazz improvisation. Jerry Coker, teacher and noted jazz saxophonist, explains the major concepts of jazz, including blues, harmony, swing, and the characteristic chord progressions.
