A wonderful story line, and thought provoking for anyone, regardless of their faith.1 of 1 people found the following review helpful. Great book for those seeking to answer a simple answer...By Grandma DonnaI'd rate this high on a list of must reads. It is a great story of a church and its congregation stepping up to ask the question; What would Jesus do? And then, answering it by its actions. I give this book out as a gift to those who are searching for what to do for Jesus, by asking this simple question of themselves.0 of 0 people found the following review helpful. Truly InspiringBy JustmeI found this book so easy to read that the writing itself added to the overall enjoyment of the story. I loved the overall intent which was to challenge Christians to go beyond the superficially of monetary giving to giving of the whole self for a cause. Sacrificially giving has a personal cost but the rewards bring one closer to Jesus.
