**BradyGames : inFAMOUS 2 Signature Series Guide (Bradygames Signature Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised inFAMOUS 2 Signature Series Guide (Bradygames Signature Guides):

Great guide, but the game is pretty straightforward By PingerAs tradition to most Bradygames products, this guide is pretty well written and structured. However, InFamous 2 really doesn't require a guide. It is pretty straight forward. All you have to do is hit "L3" on the controller to locate shards; karma is a no-brainer to figure out, and each quest comes with its own instructions. The only thing I ended up using the guide for is to get strategy tips on taking on big bosses, that's about it. 7 of 7 people found the following review helpful. Amazing. By Virginia C. Greer It was very usefull in use, and it became simpler to stay on the karma choices that I had. It was fun trying to find all the blast shards and such, but the walkthrough made EVERYTHING easier for

me, I enjoyed it very much. 0 of 0 people found the following review helpful. helped my game play a lot
