**Thomas Eaton : Infographic Guide to Life, the Universe and Everything (Infographic Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Infographic Guide to Life, the Universe and Everything (Infographic Guides):

0 of 0 people found the following review helpful. You can do better with other similar booksBy Kindle CustomerI enjoy infographic books and collect them. I was looking forward to this one based on the description, but it lacks in quality and substance. I'm glad I got it on sale for about \$10 rather than paying full price.0 of 0 people found the following review helpful. I expected the book to have bigger pages. As ...By O. AlsaqerI expected the book to have bigger pages. As for the content, maybe I had set my expectations too high.0 of 0 people found the following review helpful. InfographicsBy Heather StevensLove info graphics - fun topics

100 stunning, ingenious and absorbing infographics reveal the secrets of life, the universe and everything. Discover unique, witty and surprising facts about all sorts of natural phenomena, from the secrets of the universe to the wonders of natural science and the impenetrable dimensions of quantum physics. Scientific facts are presented in a memorable, surprising and illuminating way.

About the Author Thomas Eaton was born in Harrogate and studied history at Oxford and Cambridge Universities. Following a spell in magazine publishing, he has spent more than a decade working on TV quiz programs. He writes a weekly quiz for The Guardian and is the author of the best-selling Book of Secrets (Andrews, McMeel, 2008).
