It is clearly advertised as Book/CD. The whole point of this game is for my students to identify the instruments aurally. Infuriating, and a huge waste of my time. 0 of 0 people found the following review helpful. Fantastic game! Great for Music Subs!! By CustomerGreat for grades 4 and above. Good introduction to instrument sounds. Also, prepares my students for listening response activities. 0 of 0 people found the following review helpful. Usable, however, overpriced. By DSing7The game is fine, but not worth the price.

(Music First Express). Instrument Bingo is designed to improve your students' aural perceptions of the tone color and characteristic sounds produced by many familiar musical instruments. Includes 30 player cards, caller cards, two CDs

with professional recordings (with six different sequences of sound samples of each level) and helpful instructions for using the game. For all ages.
