1 of 1 people found the following review helpful. All in one guide By averagejoe If you are an aspiring teacher this book should be on your shelf. Kohut's book has information on almost every topic that has to do with students in the classroom. 0 of 0 people found the following review helpful. excellent resource By Michael J. White A fantastic book full of a many different concepts that should be covered in instrumental music classroom. The chapter on rhythm and the many variations on how to teach it is worth purchasing the book alone. This will be a book that I re-read from time-to-time to re-energize myself in my teaching. 1 of 2 people found the following review helpful. Exactly what I expected and needed. By Matthew J. Porter Very comprehensive. It discusses several areas not usually found in this type of text. If you are a band director or wish to be one, this is worth reading.
