Includes almost all the songs (including a song cut from the movie). NOTE that these are indeed the FILM versions, which are slightly different from the Broadway versions. Keys and lyrics have been adjusted accordingly. This makes this purchase worth it, as often times the music gets recycled and isn't true to the film versions.

Nice array of songs from the movie. Something for every skill level. Great gift to someone learning piano, a music teacher, or a big musical fan.

While I love the

music from this movie, I have to admit Stephen Sondheim is hard to play! Still working on it but will be worth it when I master it!!
