Harvey S. Whistler : Introducing the Positions for Violin: Volume 1 - Third and Fifth Position before purchasing it in order to gauge whether or not it would be worth my time, and all praised Introducing the Positions for Violin: Volume 1 - Third and Fifth Position:

2 of 2 people found the following review helpful. Great Exercises in Positions By PoodytatGGr Great studies for improving facility with these positions. There are also some good melodies to practice. 0 of 0 people found the following review helpful. Five Stars By Tim The book came in perfect condition 0 of 0 people found the following

review helpful. GoodBy Susie HomemakerAs expected. My daughter needed this for violin. Recommended by her teacher.

(String Method). Introducing the Positions , a series widely used in classroom and private studio, represents a critical "next step" for string students. Position playing allows players to extend range beyond the basics and move into the ranks of intermediate and advanced ensemble groups. The most important positions vary for each instrument, and Whistler wisely introduces the most-used positions first in Volume 1, followed by the next most important in Volume 2. An irreplaceable component for every string student's training!
