**From Hal Leonard : Irish Pub Songs (Piano/Vocal/Guitar Songbook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Irish Pub Songs (Piano/Vocal/Guitar Songbook):

9 of 9 people found the following review helpful. Awesome Selection of Your Favorite Irish By Franklin Deverell Love it, love it, love it! These are all of your favorites, or should I say favourites? Whether you like Clancy Brothers, or Dubliners, Pogues or Dropkick Murphys, this is the ultimate collection for you. Traditional ones in here of course, and no matter what instrument you play, you'll have great craic (translation: fun) !! Written mostly in easy keys to play in, you can start playing immediately. I bought it for "Fields of Athenry," which is written in F, because that's a song difficult to find anywhere else. Once you learn it in F, of course, you can easily play it in C from memory.

MacNamara's Band (in G) is so easy that you really only need to play it once or twice to get the tune, and then it's the all important lyrics you really need to learn - "...and Hennesey Tennessee tootles the flute, and the music is something grand." Glue from the binding not so great, and pages coming out almost immediately. That could just be a Hal Leonard Publishing thing, but it's all about the music for me. Irish Pub Songs (Piano/Vocal/Guitar Songbook) 3 of 3 people found the following review helpful. Even if you aren't Irish By Dorothy Carter You will love the songs in this book. Many of the old standards like "Finnegan's Wake" and "All For Me Grog" are here, as well as some of the haunting ballads like "The Parting Glass". The arrangements are good for low intermediate and up, and this will make any party more fun; it's also good to play and sing alone when the mood takes you. 0 of 0 people found the following review helpful. Music lessons would help By Customer Okay so I just started teaching myself how to play about 2 months ago. I've always loved to play songs I know the lyrics to because playing while singing is extremely difficult at least for me. So this book is definitely for someone who knows how to read music and taking a couple lessons first would help. The overall content is great there are so many songs in this book and once you know how to read notes your set.

(Piano/Vocal/Guitar Songbook). Grab a pint and this songbook for an evening of Irish fun! 40 songs, including: All for Me Grog \* Black Velvet Band \* The Fields of Athenry \* I Never Will Marry \* I'm a Rover and Seldom Sober \* The Irish Rover \* Jug of Punch \* Leaving of Liverpool \* A Nation Once Again \* The Rare Ould Times \* Whiskey in the Jar \* Whiskey, You're the Devil \* and more.
