Tony (Sully) Sullivan : Irish Traditional Music Session Tunes: Book 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Irish Traditional Music Session Tunes: Book 2:

This is the second in a series of three books of Irish Traditional Music - Session Tunes. It is a selection of popular tunes for all instruments - Jigs - Reels - Hornpipes - Slides - Polkas - Airs O'Carolan Tunes. Each piece has chords for guitar, mandolin, bouzouki, and similar instruments. - In addition to the 54 pieces of music, there is a page of Rudiments of Musical Notation, a page on Hints About Chords with guitar, banjo and mandolin fingerings, and adds a note on Embellishment and Variation, not in the first book. --- Note: the other two books in the series are also

available on Amazon.
