Irving Berlin : Irving Berlin Anthology before purchasing it in order to gauge whether or not it would be worth my time, and all praised Irving Berlin Anthology:

Missing some songs from description, verses By flashylassie11 bought this book for "shaking the blues away" which is in the description, but that song is NOT included. Overall it's still a nice anthology. I only wish all the songs contained the verses, only some do (really miss the verses for You'd be Surprised!) 0 of 0 people found the following review helpful. Wonderful song book By Judy Scott Wonderful song book with lots of songs I know but didn't realize they were written by Irving Berlin. 2 of 2 people found the following review helpful. To treasure and to cherish, uniquely American. By P. E. Hoover If you like Irving Berlin (and who doesn't) and you play piano or sing, then this collection will give you all of the most popular songs, as well as some that I did not

know was written by Irving Berlin. Loved the first few pages of photos, and brief glimpses into Mr. Berlin's incredible life. I think of all my music books as treasures, but this one I know I will cherish...just so uniquely everything "American".

(P/V/G Composer Collection). 60 of this brilliant composer's very best! Features a bio, background notes on each song, show and movie listings by year, and loads of photos! Includes: Always * Blue Skies * Cheek to Cheek * God Bless America * Happy Holiday * I've Got My Love to Keep Me Warm * Marie * Puttin' On the Ritz * Steppin' Out with My Baby * There's No Business like Show Business * White Christmas * and more. A must for every Irving Berlin fan!
