Sir Terry Wogan : Is it Me?: Terry Wogan - An Autobiography (BBC Radio Collection) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Is it Me?: Terry Wogan - An Autobiography (BBC Radio Collection):

0 of 0 people found the following review helpful. Very disappointing By Bun As a fan of Terry Wogan for years, I was extremely disappointed to read this book. While there are a few of his famous turns of phrases and quick wit, most of the book is boring. I appreciate that it is a précis of his life, but it simply wasn't interesting to me. 4 of 6 people found the following review helpful. Standards....Decency... By Mr Alan Williamson Just two words which can be used to describe the affable Mr Wogan. If the youth of today spent less time listening to rappers like 50 Cent and more time listening to cassettes like this there might be some hope for them.

Terry Wogan is one of the best known broadcasters in Britain, with a hugely successful career in both radio and

television. Here, he brings to the reader a wry take on everyday life, mixed with a self-deprecating humour, as he describes his whole life, both personal and professional.

About the Author Terry Wogan moved to light entertainment as a disc jockey and host of TV quiz and variety shows after working in banking. In 1969 Terry stood in for BBC Radio's Jimmy Young, and later that year was given his own daily shows on BBC Radio 1 and 2. In 1972 he took over the prestigious morning show slot. Terry's extensive television credits include his live chat show series Blankety Blank, Come Dancing, The Eurovision Song Contest, Songs for Europe, and Wogan, to name but a few. In 1993 Terry rejoined BBC Radio 2 to present Wake up to Wogan, the most listened to breakfast show in the UK. Her Majesty the Queen honored him with a knighthood in 2005.
