The movie is timeless but especially dear at the Christmas holiday. The radio broadcastlet's you listen to the story in a different way. Though the story is known, hearing the radio broadcast in the same way many others heard the story , so long ago takes you back to the time when this story took place. And the commercials from that time only add to the experience. I can watch the movie and listen to this cd and enjoy it every time. Very glad to have found this!

It's A Wonderful Life..Starring Jimmy Stewart and Donna Reed in this 1947 Audio 60 minute CD classic! Lux Radio Broadcast-Theater live radio show drama. This dramatization about George Bailey's dream of what life would be like without him. This will become a tradition listening to this charming radio show during the holidays. Live Lux soap
