Jimmy and Donna do their best in front of a "live studio audience". Good for car trips or fans of the film. 2 of 2 people found the following review helpful. Great radio play!! By Actress4Hire Great sound quality. I loved the voice acting. It was effortless to imagine the story taking place. The few commercials made this radio play very authentic :) 3 of 3 people found the following review helpful. It's a great recording..... By Kim Long I love audio books and old time radio and love to listen to them when I am home puttering around. It's a wonderful life, original cast..... 10 stars in my humble opinion! K Long

Original owner! CD is in overall unplayed, like new condition! Comes with original insert and storage box, also in overall excellent condition! Fantastic radio program from March 10, 1947 starring James Stewart and Donna Reed! A must-have for any fan!
