exactly what it says, the libretto to the opera.
5 of 5 people found the following review helpful. Pretty much just Cliff Notes for this particular opera
By Guido Bartolucci
This libretto contains the entire opera in both English and Italian (each on opposite pages). It was a very quick read but helped my understanding of the actual opera quite a bit. After reading it I think I enjoyed the music a lot more since I didn't have to think about what was going on.

(Opera). Italian/English.
