**From Music Minus One : Italian Tenor Arias with Orchestra** before purchasing it in order to gage whether or not it would be worth my time, and all praised Italian Tenor Arias with Orchestra:

2 of 2 people found the following review helpful. Music Minus One Tenor: Italian Tenor Arias with Orchestra (Book CD) By cynthia hansell-bakic As a professional singer and long time university professor of voice at the Zagreb academy of music in Croatia, I am sorry to say that the quality of the tenor voice and his technique are not up to par for teaching and the use of this book is only because the pianist plays correctly if not only that!! I suggest that such a book be re issued with a tenor of better technical and interpretive prowess. However the book is of great use for young tenors who need to hear the accompaniment of their arias. Just don't imitate the tenor!!! Cynthia Hansell-Bakic, professor of voice and opera performance in Zagreb academy of music in Croatia, and former prima donna of the opera stage.

(Music Minus One). Performed by Kamen Tchanev, tenor Accompaniment: Plovdiv Philharmonic Orchestra  
Conductor: Nayden Todorov Some of the greatest tenor arias in the Italian repertoire are presented here for your listening and performance pleasure in the company of tenor Kamen Tchanev and the Plovdiv Philharmonic Orchestra. These classics are a vital part of every tenor's repertoire. Includes a printed vocal score on high-quality ivory paper, with informative liner notes; and a CD+G graphics-enabled compact disc with complete versions (with soloist) followed by stereo orchestral accompaniments to each piece, minus the soloist.
