Many instructors use this along with one or two other books to help educate new players. 0 of 0 people found the following review helpful. Five Stars By Margie Shirey Very information piano practice workbook. 0 of 0 people found the following review helpful. A great basic beginner... By LvlyTatMum I am using this to teach my daughter piano. Because she is a 3rd grader, she has had some of this information before in her music classes at school. However, I wanted to have a good basic beginning from a piano standpoint and I think this book really fits the bill.

(Educational Piano Library). Spike, Party Cat and friends guide the student through fun and creative assignments that introduce the language of music and its symbols for sound, silence, and rhythm. Ear training and basic theory exercises help students learn to write and play the music they are learning as well as the music they create themselves. Correlates to Piano Lessons Book 1.
