**Fortuny Fortuny : Piensa bien y acertaras/ Think Well and You Will Guess Right (Spanish Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Piensa bien y acertaras/ Think Well and You Will Guess Right (Spanish Edition):

1 of 1 people found the following review helpful. Excelente!By FloridianSe lo mande a mi madre de regalo y le

encanto. Tiene varios niveles de dificultad y ella los encuentra muy entretenidos. Me los agradece todos los días. El libro trae 80 crucigramas. This is a book for speakers of the Spanish language, it is not for beginners. It is a really good and challenging book, containing 80 crossword puzzles. 0 of 0 people found the following review helpful. Totally odd crossword book. By Booklover mom I was totally stupefied by the design of these crossword puzzles! Not your typical numbers in the squares puzzles where you search for vertical or horizontal clues, but rather all the numbers are OUTSIDE of the puzzle and you have to figure out how you are going to arrange the words inside. RIDICULOUS!

The first ever crossword puzzle that we are aware of was published in 1913 in the New York World newspaper by journalist Arthur Wynne. After Wynne's, the popularity of crossword puzzles has only increase; they can be found in any worthy newspaper. Behind every good puzzle there is a good author, for that reason the most famous ones in the world are signed. Spain is proud to have one of the best signatures in the world: Fortuny; with this book, you can experience his puzzles. Description in Spanish: El primer crucigrama del que tenemos noticia cierta fue publicado el 21 de diciembre de 1913 en el periodico New York World por el periodista Arthur Wynne. Después del crucigrama de Wynne, su popularidad no ha hecho más que aumentar: los hay en la mayoría de lenguas del mundo, incluidas lenguas silábicas como el japonés, y en cualquier periodico que se precie. Y detrás de un buen crucigrama siempre hay un buen autor. Por ello los más famosos crucigramas del mundo van firmados, y España cuenta con una de las mejores firmas del panorama mundial: Fortuny.
