Keith Skues, David Kindred : Pirate Radio: An Illustrated History before purchasing it in order to gage whether or not it would be worth my time, and all praised Pirate Radio: An Illustrated History:

In an age when the airwaves were tightly controlled by the authorities, pirate radio was the illicit and illustrious haven for music lovers across the nation. From the first broadcast in 1964, the cowboys of the radio world fed their listeners desire for pop and rock music and, by doing so, changed British radio forever. Through more than 100 crisp, black-and-white photographs, *Pirate Radio: An Illustrated History* brings to life the golden years of pirate radio. Featuring pictures of the crew, the boats and the fans, this book takes the reader on a journey from the formative years of pirate radio, through its political persecution and beyond.

'A genuinely fascinating narrative makes this a must-read.'--Books MonthlyAbout the AuthorKeith Skues was a pirate disc jockey on Radio Caroline and Radio London.
