**Peter Steinberg : Play Bridge In 4 Hours** before purchasing it in order to gage whether or not it would be worth my time, and all praised Play Bridge In 4 Hours:

1 of 1 people found the following review helpful. Great book to help beginners learn the playBy tfarishGreat book to help beginners learn the play. If they start with the game Spades, this will get them playing bridge even more quickly.

This book written for the intermediate player covers the bridge basics in about a 4 hour read. The author deals where the reader is presented with typical problems faced at the bridge table and how to tackle the many No trump contracts that are likely to occur. The presentation is exemplary and I wish that all bridge books would adopt this format. As a teaching book these hands are most instructive and I do not hesitate in recommending this book to both students and other teachers alike.
