**BORIS SHAPIRO (INTRODUCTIO 'OMAR SHARIF : Play Bridge with Omar Sharif** before purchasing it in order to gage whether or not it would be worth my time, and all praised Play Bridge with Omar Sharif:

0 of 0 people found the following review helpful. ... bridge and likes Omar Sharif so it was a perfect gift for herBy Nancy O.My mother plays bridge and likes Omar Sharif so it was a perfect gift for her. She loved it.2 of 2 people found the following review helpful. Not for beginnersBy CustomerThis is an excellent advanced bridge book with a wide variety of themes, mostly on play. Sharif includes just enough background and scene-setting to keep it from being dry, but it is about serious bridge, not anecdotes. One of the best parts is that he assumes a high level of intelligence on the part of the reader and doesn't spoon feed us. For this reason, even though the book isn't that many pages, it takes a while to read and digest. Highly recommended!
