They're transcribed in easy keys and middle range so they can be mastered by any player. Highly recommended as a help to developing tone, dynamics, and phrasing. The play-along CD provides an excellent tool for modeling how the music should be interpreted.

(Instrumental Play-Along). Who needs a singer? With Play Puccini , instrumentalists can bathe themselves in luxurious Italian melody! These ten opera arias are among the composer's most famous and distinctive achievements, here transcribed for intermediate level solo instrument and piano. The book includes a biography of Puccini, notes

about the plot of each opera, and the dramatic context of the selected aria. The companion CD features excellent performances, as well as piano accompaniments for practice. Includes arias from: La Bohème , La Fanciulla Del West , Gianni Schicchi , Madama Butterfly , Manon Lescaut , Suor Angelica , Tosca and Turandot .
