**Ken Casey : Playing Advanced Bridge** before purchasing it in order to gage whether or not it would be worth my time, and all praised Playing Advanced Bridge:

2 of 2 people found the following review helpful. Playing is the best teacherBy BdThere are so many variables that one just needs to keep playing to learn ou to deal with them. I have been playing for years and considered a very good bridge player. This book did not do anything for me.

This book is designed to give a comprehensive and systematic view of the rules of play for advanced bridge. The various subjects contain rules for when and how to use the endplay, when and how to use the squeeze play, how to handle a forcing defense, and how to handle a 41 trump split. The book also contains my favorite hands and the various coups. Under each subject, there are numerous examples of how to handle each rule of play.
