**Barnet Shenkin : Playing with the Bridge Legends** before purchasing it in order to gage whether or not it would be worth my time, and all praised Playing with the Bridge Legends:

Since winning the world's most prestigious pairs event in his early twenties, with the equally precocious Michael Rosenberg, Barnet Shenkin has continued to build a an impressive bridge career. Over the last 25 years, he has had the

opportunity to play with and against some of the best in the world, and in this book he recounts his favourite hands and stories. While much of his early career was based in Scotland and England, Barnet now lives in Florida and is becoming well-known on the US tournament scene. The book comes to a climax with the US team's record-breaking world title win in January 2000, an event which Barnet covered as a journalist.
