She needed a small pocket sized item to put in her carry on bag for airplane flights to help distract her from being nervous. This is the perfect size and has little puzzles that help keep her mind busy on her favorite topic, which is cats!! This has little quizzes, puzzles and mazes for cat lovers packed in a

small travel size book. This is perfect for any cat lover!0 of 0 people found the following review helpful. Fantastic for Any Cat LoverBy FreedomI spotted this book while browsing around for books with a variety of puzzles. Decided to give it a try, and very glad I did. The puzzles are varied, yet all relate some way or another to cats. I often found myself checking things online to learn more about the terms which were puzzle answers. Small size, convenient to take anywhere. Nice elastic ribbon to hold your place and your pencil. Highly recommend this for any cat lover!0 of 0 people found the following review helpful.
