I really like the paper quality, you can erase without smudges or tearing and the elastic strap keeps pages from bending/curling as it often happens with soft cover booklets. Pocket Posh makes pretty, fun cover designs, but that's not really important to me, so I choose the marked down ones -(Christmas, and/or any other

seasonal) and keep them around. I often add one to complete the gifts I give!0 of 0 people found the following review helpful. Love Pocket SudokuBy Eileen P. AmorosoThree different levels of play, it's small enough to fit my a small purse and it's a great travel companion.
