She had nearly finished all the other ones I had given her so the timing was great as well. She uses these if she has to wait for an appointment such as the doctor,

DDS, etc. She flipped through this and gave it a quick rating of 8.5 to 9.0 out of 10. I highly recommend this for anyone to carry with them to help pass the time or keep their mind occupied if you have nothing to do for a few minutes! 10 of 0 people found the following review helpful.
