The Puzzle Society : Pocket Posh Codewords 4: 100 Puzzles before purchasing it in order to gage whether or not it would be worth my time, and all praised Pocket Posh Codewords 4: 100 Puzzles:

0 of 0 people found the following review helpful. Great puzzles, awful font colorBy StreetrakerLove these books but don't understand why they changed the color of the print from black to a pale grey-green!!!! Very difficult to see, in the first place, since the fonts are so tiny. Almost impossible to see, comfortably, with this new font color. GO BACK TO BLACK!0 of 0 people found the following review helpful. Five StarsBy Judy WalburnThese little books are great for carrying to appointments. It makes waiting time fly by.0 of 0 people found the following review helpful. Great

looking on the outsideBy LMajorI love codewords so happy to have this, but the print inside is difficult to read and is small. Going for pocket-size will of course mean small but I think the print color could be stronger to help with seeing the puzzle.

Codewords are the perfect alternative to Sudoku and crosswordsno number crunching and no wealth of knowledge are necessary to play. Logic and vocabulary are all you need to decode these satisfying ciphers.In many cultures, the number 4 is closely connected to the order of the world. To solve this 4th collection of 100 brand-new Codeword puzzles, order and logic will be useful tools. A Codeword is a special kind of crossword: There are no clues, and all of the answers are placed in the grid, but they are in code. Each letter of the alphabet appears at least once in the grid, and each has been substituted for a number, from 1 to 26. In a Codeword puzzle, a single letter is always represented by the same number wherever it appears in the puzzle. The challenge is to decipher the code. Two or three letters are revealed to give the solver a head start. Only dictionary words are deployed (no proper nouns appear in the grids), so a good knowledge of English, plus a bit of logic, will help you solve these puzzles. This attractive, tidy package is sized for portability and is part of our best-selling series of puzzle books that feature highly stylized, embellished covers and boast 5 million copies in print. A free trial subscription to The Puzzle Society adds extra value.
