I like the word search in the book but the velvet ...By Roberta Rhodes Dillard I like the word search in the book but the velvet that was on the book why I had to scrape it off the book the feel of it I can't stand next time make a plain hard cover book everyone don't like that .1 of 1 people found the following review helpful. My wife loves these! By David W. Nesbitt I really hit a gland slam home run with this

purchase for my wife for her birthday last month. She loves these as they keep her busy whenever she runs out of stuff to do or gets caught waiting at a MD appointment, etc. You had better believe that I will be buying a few of them for her Christmas this year. Based on her input would rate this a very high 9.0 to 9.5 out of 10! HIGHLY recommended!!
