Puzzles fine. I like the hard cover and the overall size of all the pocket posh's.1 of 1 people found the following review helpful. Fits in your purse!!By AQBostonPurchased this as a gift for my mom because she loves Sudoku, but wanted a small purse-sized booklet to

take with her to appointments, etc. She loves the way this fits in her small purse and that she can just pull it out when she is stuck waiting at the doctors office or the like. She really liked the cute design on the cover too. 1 of 1 people found the following review helpful. I bought this Sudoku puzzle book for my grand daughter ...By JOHN H MCBRAYERI bought this Sudoku puzzle book for my grand daughter and she has taken it on her trip to Alaska.

This sophisticated and feminine puzzle book is small in size but big on fun and style. Pocket Posh Sudoku 3 has 100 fun puzzles. The cover features an irresistibly tactile design. It is the perfect accessories and go with everything. It is the perfect take-along; plus, this little gem slips nicely into either a purse or pocket. Fun and smart. What's not to love? * Pretty, smart. The slim design of this popular puzzle book makes it the go-to puzzle book for energetic girls. * Puzzles are a smart form of exercise. According to the American Society on Aging, 84 percent of people polled spend time daily in activities such as puzzle solving. While there isn't conclusive evidence that doing puzzles increases brain function, it certainly can't hurt!
