They tuck into the purse and have been very helpful in doctor's waiting rooms. Just don't forget the pencil. 0 of 0 people found the following review helpful. Great for on the Go! By HRL04 This is a great

little book. I have few of the other "Pocket Posh" books and they are great. Great quality, great look, great idea! It's perfect for on the go. I'm a mom and I'm always waiting in the car for the kids or at doctor appointments. You really can use it anywhere. I bought this one for my husband and he uses it all time, outside on the patio and when he travels. It's the perfect size and weight to keep in your bag or purse. 0 of 0 people found the following review helpful. Just right sudoku
