**The Puzzle Society : Pocket Posh Word Roundup 10: 100 Puzzles** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pocket Posh Word Roundup 10: 100 Puzzles:

1 of 1 people found the following review helpful. My wife really like these!!By David W. NesbittI bought this for my wife as a small morning 'surprise' because she likes to always have one in her purse.And once again this was a home run! He likes to have one with her so she will have something to do if/when she has to wait on a appointment, etc for a few minutes. This is a relatively cheap insurance policy for those times. She says it helps pass the time and keep her brain in 'gear'.I left this by her car dashboard along with a cheap card.She rated this one a 8.5 to 9.0 - recommended!0

I do wish they were as big as most word searches though.0 of 0 people found the following review helpful. Five StarsBy Aleta Wimbishas expected
