Great relaxationBy Merica Saint JohnI used to do these puzzles on Yahoo until I discovered I could buy the books. I've collected a number of them and carry one with me to use whenever I am waiting somewhere. Fun, relaxing, and purse-size. Sturdy covers and pages.0 of 0 people found the following review helpful. Pocket Posh Word RoundupsBy Just MeI really love these books. I

originally bought the "Garden Lover's Puzzle and Quiz Book" and the "Food and Wine Lover's Puzzle and Quiz Book" and loved those. I was looking for more of those books and couldn't find any. But then I did a search on the publisher or author of those books "The Puzzle Society" and the Pocket Posh books appeared. They are better than your usual word puzzle books. I look forward to further issues.

Fifth in the series, this Word Roundup collection presents 100 puzzles designed with the flair of our best-selling Pocket Posh style. More than 330,000 Pocket Posh Word Roundup books have sold across the series! We present our 5th Pocket Posh Word Roundup collection for anytime fun and all-around gift giving. Word Roundup puzzles are even more popular than word search. Unlike traditional word searches, Word Roundup gives clues to the words hidden within the puzzles. The words themselves are for solvers to figure out. This attractive package is sized for portability and is part of our best-selling series of puzzle books that feature highly stylized, embellished covers and boast 5 million copies in print. A free trial subscription to The Puzzle Society adds extra value.
