Word Roundup is one of my favorite word puzzles! I love these little puzzle books because they're perfect anytime and anywhere! You can keep them in your pocket, purse, car console, etc. Use them whenever you have some "down" time... like at the doctor's office, in the hospital waiting room - or in your bed if admitted, while waiting at the DMV - in the waiting room or

while waiting in your car on the inspection line...or maybe when you're bored at home or just feel like doing some puzzles! Since the front and back covers are hard cardboard, there's no need to "find something to lean on" and the books come in all kinds of puzzle varieties so you can get books which have only your favorite type of puzzles in it! Perfect puzzle books for anytime, anywhere for anyone at any age!0 of 0 people found the following review helpful.
