0 of 0 people found the following review helpful. Very good! Can't recommend enoughBy CommandoVery good! Can't recommend enough.The book starts of the basics of the game and needed concepts to excel in the game.

Afterwards, it turns into a zen best practices guide. It gives details about how to catch with ease and upgrade to high level without the stress of grinding to mastery. This is a very nice resource for any serious trainer or novice player. As there are details about to come Pokemon to come based on the coding of the game, as well as tips for using the coding behind the game to provide an advantage. Furthermore, there are details about gym matches and how to get the most of your Pokemon in terms of fighting and training. This really helps especially if your friends are way ahead of you in the Pokemon game as mine were. As I said very awesome guide that not only helps you catch them all but makes you a beast at Pokemon go ;)
