1 of 1 people found the following review helpful. New Exceptional GameBy YunaThis game of Niantic is something

exceptional exploring meeting genuine individuals and going to historic points as opposed to sitting in front of PC you're out in the universe, getting fit gaining experiences and having fun, cute testing addictive social fun. Short and sweet adventures rather simple and predictable, but fun all the same pokémon got to catch them all. For the people who need a nostalgic visit to the old Pokémon Red and Blue days this is the book for you. 1 of 1 people found the following review helpful. Be guided with this quick start manual and you'll have fun! By Josh Carlson This is a good Pokémon Go beginners guide. An essential manual you can refer to if you still want to know more about this new game craze. It orients you to the different characters of the game, the mechanics, the rewards and bonuses, tips on the things you need to be aware of and many more. For Pokémon lovers out there, game suits you! Be guided with this quick start manual and you'll have fun! 1 of 1 people found the following review helpful. Nice guide! By Zen Callis Pokémon Go is one of the hottest mobile games in town today. Many people are hooked on it because of the fun it gives to its user. I am not really a Pokémon enthusiast but I got hooked upon learning the basics of this game with the use of this book. The book provides basic background of how this game started and how to play with it. The author was able to write its content in a simple and easy to understand manner which kept the book newbie friendly. There were tips and techniques shared in here which can help you utilize the game fully. I didn't regret having this book!

Sick of scouring the web for tips? We've created the one book that contains everything you need to know to go from a Pokémon Go Rookie to Master Trainer! Do you want to minimize the time it takes to level up? Want to gain 65,000 XP per hour? Power Leveling Strategies will help you fly past your friends' levels!
