Bryan Berry : Pokemon Go: The Ultimate Game Guide: Tips Tricks, Secrets, Strategies before purchasing it in order to gage whether or not it would be worth my time, and all praised Pokemon Go: The Ultimate Game Guide: Tips Tricks, Secrets, Strategies:

This book is a guide made for Pokmon Go players that need help, everything you need is included here, starting from the moment that you click on the game icon to open it, you will get help from this book, so you have a great head start and be the best at this game. You can find here all sorts of tips tricks, also everything for you not to miss a single thing off this magnificent game. It also includes what you should, and should not do. Basically, after you have read this book, you will have the best knowledge there is about this game. Of course you will not have a better knowledge than the Niantic or the Nintendo company since they are the ones who created this game, however you will have more than normal people. As you level up, new things come up, also new updates, but I guess you can learn the rest yourself. Lets start now with some things about this new game that has been getting everyone so worked up about.
