0 of 0 people found the following review helpful. More to thisBy chaim kreitmanYou can use this for Pokemon red blue and yellow but It only say the Pokemon found for LeafGreen and FireRed it has more Pokemon though0 of 0 people found the following review helpful. The guide has information for the games it covers but ...By CustomerThe guide has information for the games it covers but once I read through it there are areas it doesn't cover. If you want a speed run this will show you the quickest path. If you want in depth this guide skips over many areas.0 of 0 people found the following review helpful. An incomplete guideBy JacobIt has mostly correct information but at times it will tell you wrong things or even leave items and areas out of the guide. A guide book that isnt finished isn't worth buying.
