**BradyGames : Pokemon ReaderActive: Nacrene City Adventures! (Dk Readeractives)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pokemon ReaderActive: Nacrene City Adventures! (Dk Readeractives):

0 of 0 people found the following review helpful. Five StarsBy JennyFNice book0 of 0 people found the following review helpful. Awesomesauce!!!By anarae flowersMy kiddo loved this book!

A Pokmon reading experience like no other! Kids are in control, making their own decisions to advance the story, capture and train Pokmon, and discover new adventures as they explore the brand new region of Unova! Just like Ash in the animated series, kids can make their own decisions about which Pokmon to capture, what areas to explore, and what Pokmon powers to use while honing their reading skills as well.
