POKMASTER The ultimate Guide To All Pokmon Games!!! Pokmon are taking over the world. In spite of crippling server issues and gruesome discoveries, Pokmon Go has soared to the top of app charts, added billions to the market value of Nintendo, and sold millions of dollars of Pokballs and other virtual goods, as people engage in nostalgia for the original Pokmon games and discover the joys of playing games in public. The game is deceptively complex. At first, it seems like all you do is wander around, catching random fake animals. But unlike many mobile games, Pokmon Go leaves most of its complexity unexplained. Much like in life itself, you are dropped into a world that you must master at the same time as you figure out how it works. Well, there may be no guide to real life, but here is a guide to Pokmon Go. It will help get you from beginner to advanced Pokmon trainer, level up, and catch em all.
