CarrierHey, I found this guide to be pretty helpful. If only Versus never quit making guides. Well this is more convenient than going to [...] while playing the game at the same time.0 of 1 people found the following review helpful. A total necessityBy Michelle G.My son woud have never been able to get through his red rescue game without this guide, it really is a necessity for the game. Nintendo makes a great pokemon game, but it is close to impossible to get through to the end of the game and get all

the special pokemon and all the special hidden items without the guide book.

* Written by the Pokmon Team! - The makers of the game will be writing the guide, so you can be sure nothing will be missed.* Full stats on Pokmon - Pokmon battle with skills that are more or less effective depending on their opponent's attributes. So it's important to know what the Pokmon's powers are so you can choose wisely.* Complete Mission Details - Our guide will provide complete mission information, including suggestions for what Pokmon to select. * Covers both versions - The guide will cover both adventures for the DS and GBA.

About the AuthorPrima Games, an imprint of DK and a division of Penguin Random House Inc., is the worlds leading publisher of strategy content for PC and console video games.
