Adron J Smitley : Poop Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Poop Book:

Everyone poops, and everyone wants something interesting to read while they're pooping. So why not pick up this book full of random facts after sitting down on the toilet to do your business and be entertained at the same time! Learn while you're pooping!

About the Author Adron J. Smitley is a Bigfoot hunter born and raised in Orrville, Ohio, and is currently hard at work punching old ladies in the face when hes not kicking babies down stairs or spitting in your food while youre looking the other way. Some of his favorite writers include: Gabe Oitoucher, Amanda Hugginkiss, Pete Ophelia, Norma Stitz, and Herb Eversmells. Adron understands the meaning of life is to give life meaning, and wherever he may roam he intends on dying old and broke but happy.
