comprehensive song list. I only knew about half when I ordered but have enjoyed learning the new ones. The piano arrangements are more for intermediate players, so I don't recommend for beginners. Be aware that this book is NOT edited for language/content, so make sure you read through songs before you introduce them! Here is a list of songs: Home Paradise Stay Run Set Me On Fire I Am Daylight One Thing I Won't Give Up Sweet Disposition Radioactive Just A Kiss Stereo Hearts Skyscraper It Will Rain Titanium The A Team Part Of Me Little Talks Some Nights Next To Me Hall Of Fame Skyfall Girl On Fire (Inferno Version) Just Give Me A Reason Call Me Maybe IF I DIE YOUNG Traveling Alone Put The Gun Down Royals 7 of 7 people found the following review helpful. This is meant for someone past that point, who would like a bit of a challenge. Which unfortunately isn't me anymore. But the arrangements look lovely and if I had the energy to work on my piano instead of just enjoying, I would have a hard time holding back on these. 1 of 1 people found the following review helpful. granddaughter loved it.
